

Forerunners,

The events of 2020 and 2021 have been like nothing we have ever experienced, yet the Lord has been faithful to see us through to 2022 and beyond. As a church, you have continued to be so generous! We saw God do incredible things in and through Rush Creek this year.

Our Midlothian campus opened in January and averages over 200 people weekly. We added a second service in October.

Our Handley Hope Center opened in the Spring and ministers to many in the community with haircuts, a food pantry, Bible studies and career pathways. On Wednesday nights, we serve a community meal that averages 130 people each week.

We had 119 people serve on mission trips locally and around the world.

Our compassion ministries handed out over 3,500 food pantry boxes and 25,000 weekend backpack meals to local schools. Over the holidays, we fed 2,000 people through the Great Turkey Takeaway and 1,100 kids received gifts through Operation Joy.

Your generosity continues to make an impact in our ministries at Rush Creek. Life change is happening at each campus and in 2021, 89 individuals were baptized. As we look ahead to 2022, we desire to continue to see lost people saved, saved people disciplined, disciplined people mobilized, and mobilized people unified.

As we wrap up our records this year, we've included instructions on downloading your giving statement. Thank you so much for your prayers and faithfulness each and every day!
